Earn credits with Arcadia Abroad’s prestigious partner universities:

University of Auckland
University of Canterbury
University of Otago
Victoria University of Wellington

I developed such a deep respect and admiration for the unspoiled beauty of New Zealand’s landscape. There are few places left on earth that seem so untouched, yet are so accessible to anyone with a pair of hiking boots and a sense of adventure.

— Christi Westlin, Hamilton College student, University of Otago

Excursions & Activities

Our diverse, life-changing excursions, events, and activities—many of which are included in your program—connect you with your host community and shine a light on the context of your studies. Arcadia program excursions engage you in all the wonderful and unique aspects of New Zealand landscape and life.

- Queenstown and the Southern Alps: Routeburn Track; gold mining history on a Shotover Jet boat
- Queen Charlotte Sound: tranquil beauty, hiking, and kayaking
- Abel Tasman National Park: golden sand beaches, clear blue sea
- Picnic at Castle Hill: underground cave stream; picnic on unique limestone formations
- And more!
