NEXT LEVEL COLLEGE JOURNEY: AN ACADEMIC INTERNSHIP AS CUSTOMIZED AS YOUR FAVORITE PLAYLIST

Imagine curating a professional learning experience that seamlessly blends your academic pursuits, personal passions, and career aspirations.

Picture this: you’re not just another intern, you’re the director of your own success story. Collaborate closely with your Arcadia team as you navigate the exciting process of applying, interviewing, and handpicking an internship that aligns perfectly with your ambitions.

Craft your own learning objectives – think of them as the chapters of your personal growth journey. Share your vision with your placement supervisor, who will guide you through relevant and rewarding professional experiences.

Dive into our weekly coursework, where you’ll sharpen your critical thinking skills, explore new perspectives, and enrich your mind in real-time. The knowledge you’ll acquire is more than just facts: it’s a powerful tool that’ll give your resume a serious boost and help you map out your future path.

The best part? You can choose to live this experience in the fall or spring semesters, or during an intensive eight-week summer session.

Are you ready to write the next chapter of your academic adventure? Apply now!
