Welcome to Arcadia Abroad

Students from colleges and universities across the U.S (like you!) have been studying abroad with Arcadia for over 70 years. Join the more than 70,000 students who have learned, grown, and adventured with Arcadia Abroad!

+ Over 100 programs offering applied learning opportunities in 10 dynamic countries
+ Wide range of disciplines and programs around the world
+ Programs to fit your schedule - from semester to summer to academic year
+ Support to increase your access to study abroad in ways that matter
+ Arcadia staff around the world to help you make the most of your journey.

Learn Everywhere.
Time to explore the world & your potential

Study abroad with Arcadia opens up exciting new worlds to you - yes, a new country, but also new ways of learning both academically and through experiences inside and outside the classroom. Enjoy wonderful times with friends, mentors and teachers you haven’t met yet.

You’ll enjoy the challenge of strong academic courses and you’ll apply that learning in new places, with different people and in cultural situations you would never see at home. You’ll have fun along the way as you share life-changing experiences with other students and locals alike.

By the time you come home, you’ll be enriched and energized with skills, knowledge and credits in your back pocket. Your new level of understanding for how the world works and how people lead meaningful lives will be transformative for you, both personally and professionally. Let’s help you rise to your potential!

Will I have authentic involvement in the local community?

Will this program give me the best academic experience?

What life skills will I take away from this?

How will this experience be meaningful for me?

Where will study abroad take you?

From distinct academic development to personal and professional growth and fulfillment, studying with Arcadia Abroad is Applied Learning in action—learn as you go and use your skills everyday in different situations. When you come home, you’ll have a whole new level of confidence and ability.
Where will study abroad take you?

Our goal is to help you amplify your journey intellectually with contextualized academic study; authentically with community engagement; personally through your choice of adventures; and professionally with high-impact experiences in applied learning.

**Exploring**
All programs include guided visits to everywhere from historical landmarks, bucket-list venues, to key local community hotspots - including many off-the-beaten-track experiences.

**Magnifying**
Meaningful and challenging experiences add depth to your résumé and show employers and graduate schools you’ve done and learned MORE.

**Building**
From trying a new sport or joining a club or society, to attending Arcadia-organized social events, there will be many ways for you to connect with other students and share your adventures.

**Contributing**
Join volunteer organizations to give back to local communities or causes. Help empower an organization’s impact on your adopted community!

LEADERSHIP
COMMUNICATION SKILLS
INDEPENDENCE PROBLEM SOLVING
CRITICAL THINKING RESPONSIBILITY EMPATHY
CULTURAL AWARENESS

“Arcadia lives up to the mantra of “Learn Everywhere.” Part of studying abroad really made me open my eyes to taking lessons at any and all opportunities. It’s not always about the classroom and it is certainly not always about the grade, but it’s definitely about what you can take away from the lesson.”

Health, Safety and Wellness Abroad

Student safety and security is one of our core values. Our Director of Health, Safety and Security leads our staff at home and abroad to care for you with the support of our Student Services team. Our approach to health and wellness prioritizes student learning in a safe and responsible way.

+ We provide thorough pre-departure and on-site orientations to educate you about how to stay healthy and safe in your host country and city.
+ We provide personalized support for students who require disability accommodations or need ongoing medical or mental health care to be successful while abroad.
+ Medical insurance, political security and natural disaster evacuation coverage is included in program fees for all students throughout the duration of their overseas programs.
+ We monitor world events and operate under the latest best practices in international risk management.
+ Through years of experience we have established a wide network of local contacts overseas that allow us to stay well informed on the ground and plan effectively.
+ We provide 24/7 support and keep parents and partner institutions informed about evolving situations occurring in country and any emergencies.

From providing safe and secure housing and access to health care and wellness resources to providing effective and prompt resolution of emergency situations, our team protects our students’ welfare abroad at all times.

We’re here to help

While we are prepared to help with major political and environmental events, most often the types of situations with which we assist are minor illnesses, challenges adjusting to a new environment or lost passports.

Support services & mentoring

Our staff are here to support and mentor you through your entire experience, so you can make the most of your time abroad - from ensuring a smooth application process and mentoring to the practical everyday tasks of managing life abroad.
Can’t find the exact program you need? Then build your own! Start by looking at what you want to achieve from your time abroad. Perhaps you need an internship to bolster your résumé; or maybe you need a research component or have specific credit requirements such as a language.

Now you can choose a program in the location you want and build out from there. Add on what you need, be it the right course combination, a unique research assignment or that perfect internship placement. Make your program work for you and grasp every opportunity!

And don’t worry, our program managers can help build the program that best suits you.

WHY ITALY WITH ARCADIA ABROAD?

On our programs in Italy, you’ll immediately embrace the Italian approach to life, work, study and wellbeing - authentic experiences and connections with the local people, culture and way of life. Courses, activities, housing and social events are rooted in Italian life and include Italian students, communities and staff. You have a choice of two locations in Italy: Florence and Perugia. In each program, we will introduce you to the rich history, beauty, culture, lifestyle, art and romance of these distinct and wonderful regional identities.

**Florence**, the cradle of the Renaissance, is a special, creative city with a unique artistic fascination, and **Perugia** offers a university town with Medieval and Renaissance character.

+ Learning outside the classroom plays a major role in every program, with activities ranging from exploring stunning, world-renowned landmarks to farm-to-table experiences with locals.

+ Small classes, close contact with faculty, volunteering opportunities and residence in local neighborhoods help shape your experience.

+ Italy will appeal to those who are looking for community-based, genuine experiences with stunning scenery, fascinating history and culture, a beautiful language and warm, friendly people who are passionate about living life to the fullest.

LEARN EVERYWHERE.
Beyond the Classroom

We want you to learn as much outside the classroom as possible in different ways.

Volunteering/Service Learning
You will have many varied opportunities to contribute meaningfully to the local community: working with local Unicef staff, become a teaching assistant at a local high school focused on English language activities, or volunteering with Manitese, a non-profit that works to eliminate poverty and injustice in third-world countries.

Academic Excursions
All programs include learning on-site so you can visit, experience and feel the topics you are studying. From overnight visits to Parma and Modena, to day trips to Assisi, to cooking classes at Malvarnia, your coursework will bring these locations to life.

Excursions
From the iconic, ancient world to modern Italian life, our excursions take you to creative, off-the-beaten track locations, often as part of your course. From local sporting events, to viewpoints only locals know; from cooking traditional food, to the art of Michelangelo. Programs in each of our sites in Italy fully explore context and use their geographical location as an open classroom.

“...It was an amazing experience. The classes were interesting and I learned quite a bit while studying there, not to mention the places I was able to go and see.”

Agriturismo, village markets, traditional cooking
Local markets, rural farm-stays, authentic cooking with locals and slow food tourism activities.

Amalfi Coast
An experience to highlight the stunning landscapes, different lifestyles and friendly, charismatic people of this amazing region.

Foods & flavors of Italy
Cooking classes with local chefs to learn traditional Roman cooking using fresh, local, seasonal, organic produce.

Roman Baths & Vineyards
Explore the rolling countryside where vineyards and olive groves meet Roman baths and natural hot springs.
Housing

Where you reside plays a big part in your learning experience and integration with the community, so we ensure convenient, quality housing that will encourage you to feel part of the local community.

Perugia

You will live in the historic town center and, depending on your program, share with other American, international or Italian students. Homestays are available for students with higher levels of Italian studying in Perugia.

Florence

Stay in the heart of the city in shared apartments with American, international or Italian students.

ISI Perugia - The Umbra Institute Summer

The Umbra Institute is renowned for its innovative community engagement activities and experiential learning initiatives so expect to be out and about in the community.

+ All courses are taught in English so you don’t need to speak Italian to enroll, but you are sure to improve your proficiency as you explore the city and get to know the community.

Food & Sustainability Studies

This unique program looks at food and sustainability issues from many angles – history, sociology, cultural studies, anthropology, business, politics, science and agriculture. You will explore how we as individuals and as communities relate to issues around food in Italy, America and globally and the implications of our decisions.

Your fascinating study will take place at the Umbra Institute in the beautiful, hilltop, medieval city of Perugia. Here, it’s all about community engagement!

Trasimeno Archaeology Field School

This exciting summer program uncovers the fascinating archaeology and history of the charming medieval town of Castiglione del Lago on the shores of Lake Trasimeno between Umbria and Tuscany. You’ll take part in excavations focused on two different areas: the walls and ruins of a medieval church and the shore of Lake Chiusi, where you’ll excavate the remains of a Roman cistern.

Granada
WHY SPAIN WITH ARCADIA ABROAD?

This popular study abroad destination attracts students from all over the world, due to its wide range of experiences and learning opportunities in stunning locations with welcoming, friendly communities. We support our students through our center in Granada, offering academic and experiential learning opportunities, whatever your level of Spanish, to introduce you to a rich mix of cultures, traditions, history, art and architecture. We delve into the diverse regional and local differences, the complex issues of national identity as well as the roles of heritage and globalization. We help you to get to know the local people, the way of life and the fascinating cultural mix that underpins this country.

+ The university town of Granada is a southern location with Arabic influences and architectural beauty, such as the Alhambra. Nestled between the Sierra Nevada mountains and the Mediterranean Sea, this charming city is smaller than Barcelona, with a vibrant café culture and Spanish heritage.

LEARN EVERYWHERE.
Beyond the Classroom

We want you to learn as much outside the classroom as possible in different ways.

Cornerstone Course
The Granada semester program includes courses that will give you practical context to your academic studies, enabling you to learn in different ways while you walk the city streets and meet the locals.

Orientation
Our staff will orient you to your area to make sure you know and understand how local life bubbles along and where to find the best tapas. Get the insider’s view of the city and its historical context, visit iconic sites and explore local food, customs, culture and amenities together.

Study in the City
Our staff in Granada will help you learn in different ways, visiting inspiring parts of the city, attending community events and participating in activities around the city that give context to your studies.

Excursions
In Spain, our excursions range from those included as part of your course, to creative, off-the-beaten track experiences. From sporting events, to viewpoints only locals know; from authentic mealtimes with locals, to the iconic Alhambra.
Multi-city Activities
See the major sites in Toledo, Madrid, Segovia, Santiago de Compostela, Ávila, Salamanca, El Escorial, Zamora and Alcalá de Henares.

Guided Exploration of The Alhambra
This 14th century Moorish hilltop palace, a World Heritage site, is set against a backdrop of mountains and possesses an energy and a grandeur unlike any other structure on Earth.

Gincana (Treasure Hunt)
A fun activity that will help you get to know the streets of Granada and the secrets that lie within.

Explore Morocco
Visit fascinating places, learn their history and culture, and meet the people. Speak with Muslims to learn about Islam, women’s issues, dating practices, hip-hop and more in this changing, yet traditional country.
Housing

In Granada, you’ll have a choice between living in independent, self-catered apartments with other American, Spanish or international students or a homestay with a local family.

“The Arcadia staff make you feel so at home, we got to do so many activities with different groups and we got to know other people in our program. And if we were ever having any problems they were always there to talk to us. I loved the staff.”

This charming and affordable university town is the perfect place to soak up the culture, learn the language, meet local and international students and experience the Spanish way of life. The stunning scenery and welcoming local atmosphere make this program a perfect choice for those students interested in Spanish language and culture.

**Cornerstone Course:** To anchor your experience in Granada, you will take a course on Spain’s diverse socio-economic cultural landscape, focusing on its recent transformations linked to international migration. In addition, you’ll take four courses at the Centro de Lenguas Modernas (CLM) at the University of Granada.

**Spanish language and culture tracks:** Whether you are at a beginner, intermediate, or advanced level of Spanish, you’ll take a placement exam and join the course that fits best.

**Optional pre-session Spanish:** An intensive month-long Spanish language course prior to the start of the semester is available for all levels of Spanish for an additional fee.

**Internship:** Depending on your level of Spanish, you can take an internship option at the CLM, with a placement in education, public health or business.

**Excursions:** Activities, events and site visits organized by local staff help you to learn outside the classroom and truly make the most of your experience. Excursions may range from guided exploration of the famous Alhambra and a treasure hunt around the city, to a fascinating visit to Morocco in Northern Africa.

Escape to the culture of Granada in southern Spain in summer to learn the language, get to know the people and gain an understanding of the rich heritage of this stunning location. Depending on your language ability, you can choose from two summer tracks offered through the Centro de Lenguas Modernas (CLM) at the University of Granada. The program runs twice over the summer months so you can choose to do one or both sessions.

+ **Intensive Spanish language track:** Great option for any language level - from beginner on up. Small, friendly classes with the latest audio visual communication tools make this a fun yet strong learning environment.

+ **Intensive Spanish language and culture tracks:** This option offers a challenge for students whose Spanish is intermediate level or above. It includes Spanish literature, art, history and business courses.

+ **Excursions:** Arcadia staff and faculty in Granada ensure you have many opportunities to visit iconic places and get a feel for the local communities and neighborhoods. Examples of past excursions include a scavenger hunt through the city, which is a fun way to get your bearings and find key locations. Other excursion examples include a weekend trip to the Mediterranean coast, a tapas and flamenco evening and guided tours of the World Heritages Sites of the Alhambra castle and the Albayín, the old quarter of the city.

Make the best use of your summer with this field and laboratory based research program in environmental health, environmental sciences, physics and mathematics, where you will work closely with an academic research mentor on your chosen project.

+ Conduct research in one of Spain’s leading research institutes: Andalusian Institute for Earth System Research (IISTA). The Institute is part of the University of Granada, a leader in science and environmental research.

+ All field and laboratory research is conducted in English.

**Excursions, Activities and Events:** As an Arcadia student you can take advantage of many exciting excursions, events and activities organized by our staff at the Granada Center. Past examples include guided tours of the World Heritage Sites of the Alhambra castle and the Albaicín, the old quarter of the city, and a weekend trip to the Mediterranean coast.

**Past project examples include:**

+ Potential Health Impact of Ultrafine Particles Under Different Urban Atmospheric Conditions
+ Statistical Analysis of Clouds Properties During a Radar Campaign
+ Influence of Anthropogenic Pollution in Clouds Formation

*Summer 2021 research project opportunities will be published online in late October/early November. Check website then for specifics.*
