It’s not always about the classroom and it is certainly not always about the grade, but it’s definitely about what you can take away from the lesson.”

We want you to learn as much outside the classroom as possible in different ways.

Volunteering/Service Learning

All programs include learning on-site so you can visit, experience and feel the topics you are studying. From overnight visits to Parma and Modena, to day trips to Assisi, to cooking classes at Malvarnia, your coursework will bring these locations to life.

Excursions
From the iconic, ancient world to modern Italian life, our excursions take you to creative, off-the-beaten track locations, often as part of your course. Programs in each of our sites in Italy fully explore context and use their geographical location as an open classroom.
