Welcome to Arcadia Abroad

Students from colleges and universities across the U.S (like you!) have been studying abroad with Arcadia for over 70 years. Join the more than 70,000 students who have learned, grown, and adventured with Arcadia Abroad!

+ Over 100 programs offering applied learning opportunities in 15 dynamic countries
+ Wide range of disciplines and programs around the world
+ Programs to fit your schedule – from semester to summer to academic year
+ Support to increase your access to study abroad in ways that matter
+ Arcadia staff around the world to help you make the most of your journey.
Amplify your Learning while you Explore the World

Arcadia Abroad opens up exciting new worlds to you - new countries and new cultures, and also new ways of learning where you get practical experience applying what you learn in your courses. Grow and learn with new friends, mentors, and teachers from around the world!

You’ll enjoy the challenge of strong academics, and you’ll apply that learning in new places, with different people and in cultural situations you would never see at home. AND... you’ll have fun along the way as you share life-changing experiences with other students and locals alike.

You’ll come back to your home campus with dynamic stories and knowledge, and have credits in your back pocket.

Your new level of understanding of how your learning impacts the world will transform you. Become more than the sum of your learning with your study abroad adventure!

Will I have authentic involvement in the local community?

Will this program give me the best academic experience?

How will this experience be meaningful for me?

What life skills will I take away from this?

Where will study abroad take you?

From distinct academic development to personal and professional growth and fulfillment, studying with Arcadia Abroad is Applied Learning in action – learn as you go and use your skills everyday in different situations. When you come home, you’ll have a whole new level of confidence and ability.
Where will study abroad take you?

Our goal is to help you amplify your journey intellectually with contextualized academic study; authentically with community engagement; personally through your choice of adventures; and professionally with high-impact experiences in applied learning.

Exploring
All programs include guided visits to everywhere from historical landmarks, bucket-list venues, to key local community hotspots - including many off-the-beaten-track experiences.

Magnifying
Meaningful and challenging experiences add depth to your résumé and show employers and graduate schools you’ve done and learned MORE.

Building
From trying a new sport or joining a club or society, to attending Arcadia-organized social events, there will be many ways for you to connect with other students and share your adventures.

Contributing
Join volunteer organizations to give back to local communities or causes. Help empower an organization’s impact on your adopted community!

“Arcadia lives up to the mantra of “Learn Everywhere.” Part of studying abroad really made me open my eyes to taking lessons at any and all opportunities. It’s not always about the classroom and it is certainly not always about the grade, but it’s definitely about what you can take away from the lesson.”

Support services & mentoring

Our staff are here to support and mentor you through your entire experience, so you can make the most of your time abroad - from ensuring a smooth application process and mentoring to the practical everyday tasks of managing life abroad.

We’re here to help

While we are prepared to help with major political and environmental events, most often the types of situations with which we assist are minor illnesses, challenges adjusting to a new environment or lost passports.

Health, Safety and Wellness Abroad

Student safety and security is one of our core values. Our Director of Health, Safety and Security leads our staff at home and abroad to care for you with the support of our Student Services team. Our approach to health and wellness prioritizes student learning in a safe and responsible way.

+ We provide thorough pre-departure and on-site orientations to educate you about how to stay healthy and safe in your host country and city.
+ We provide personalized support for students who require disability accommodations or need ongoing medical or mental health care to be successful while abroad.
+ Medical insurance, political security and natural disaster evacuation coverage is included in program fees for all students throughout the duration of their overseas programs.
+ We monitor world events and operate under the latest best practices in international risk management.
+ Through years of experience we have established a wide network of local contacts overseas that allow us to stay well informed on the ground and plan effectively.
+ We provide 24/7 support and keep parents and partner institutions informed about evolving situations occurring in country and any emergencies.

From providing safe and secure housing and access to health care and wellness resources to providing effective and prompt resolution of emergency situations, our team protects our students’ welfare abroad at all times.
Can’t find the exact program you need? Then build your own! Start by looking at what you want to achieve from your time abroad. Perhaps you need an internship to bolster your résumé; or maybe you need a research component or have specific credit requirements such as a language.

Now you can choose a program in the location you want and build out from there. Add on what you need, be it the right course combination, a unique research assignment or that perfect internship placement. Make your program work for you and grasp every opportunity!

And don’t worry, our program advisors can help build the program that best suits you.

Archaeological sites such as Chichén Itzá, Palenque, and Uxmal
Visit some of the most famous Mayan archaeological sites and get an understanding into how and why they were built.

San Cristóbal de las Casas
Visit the city that is located in a small valley and surrounded by mountains. This was once the capital of Chiapas and is considered the cultural capital in the modern day.

Stay in a UNESCO world heritage site
Located in Antigua, the trip includes staying with host families as well as in hotels. During your time here, you will visit local communities and nearly historical sites.

A weekend stay with the La Carpio community
This is an economically disadvantaged community that receives up to 700 tons of waste per day. You will get to learn about the issues around racism and justice.

A three-day stay in Longo Mai
A community that has had waves of refugees from Nicaragua and El Salvador. You will get to learn about the community’s history and its environmental conservation, sustainability and organizational efforts.

Sample Excursions

Housing
Where you reside plays a big part in your learning experience and integration with the community, so we ensure convenient, quality housing that will encourage you to feel part of the local community.

Chiapas
During your time here, you will travel to San Cristobal where you will be hosted at the Hotel Casa Isabel.

Guatemala
For the first three nights, you will stay at a hotel with everyone. Both bedrooms and bathrooms will be shared by two students. After this, you will be moved to a homestay with a local family, where you will stay for the remainder of your time there.

Costa Rica
You will start your time in Costa Rica by staying in a local hostel, near Biblical Latinamerican University (UBL). This will be your home for the first half of your stay. For the second half, you will be hosted by local families.

Cuernavaca
During your time in Mexico, you will have two homestays. Your first one will be a short stay in a rural community, for a number of days. After this, you will be moved to a much longer, more urban homestay in Cuernavaca.
Mesoamerica refers to a historic and geographical region that encompasses parts of Mexico to Costa Rica. In total, it is comprised of seven different Latin American nations. Of these seven, three will be your home during the program – Chiapas (Mexico), Guatemala and Costa Rica.

While learning or improving your Spanish, you will get to know more about the human rights crisis in the region currently from some marginalized communities, such as; Indigenous and Afro-descendant people, women, members of the LGBTQ+ and peasant communities.

- You will get to explore the historical causes of social, ethnic, racial and political conflicts that have shaped the region, as it is known in the modern day.

- During the program, you will be travelling in a living laboratory of reflection and cultural connection.
