- Decolonizing the Mind: Racial and Environmental Justice

Located in Southern Africa, the histories of both South Africa and Namibia are not often explored in U.S. curricula. Both of these countries have struggled with the impacts of colonialization, apartheid, as well as ethnic and racial tensions throughout. This program will allow you to examine how people play a role in positive social change and the triumph of the human spirit.

### Excursions & Activities

- Namib Desert.
- Walvis Bay.
- Rural areas of Namibia.
- A visit to the Eastern Cape.
- A one-week educational seminar in Johannesburg.
- A one-week educational seminar in Cape Town.

These diverse, life-changing excursions, events and activities – many of which are included in your program – connect you with you host community and shine a light on the context of your studies.

These excursions allow you to engage with the wonderful and unique aspects of South African and Namibian landscapes and cultures.
