From Ancient Spanish traditions, to modern day innovations and breath-taking landscapes, Arcadia Abroad wants to welcome you to the charismatic city of Granada, in the southern region of Andalucía.

With our center located in Granada, you'll feel welcomed by our expert staff as they help you adapt to life abroad. Feel supported by them from the moment you arrive as they help you create your adventure through learning, cultural engagement and deep connections with other members of the Arcadia community.

“When I introduce myself and they ask what I did over the summer and I say that I did research in Spain, they’re really taken aback by the fact that I’ve already done research at such a young age. And when they hear that I’ve done it abroad, they always tell me that this will really help and that jobs look for that.”

DeShawn Samad, Spelman College Student, STEM Summer Research – Granada

**Excursions & Activities**
