Arcadia Abroad in Spain embraces ancient traditions, modern culture, language, and landscape—just like you.

Our programs are based in Granada, in the distinct southern region of Andalucia, and offer semester, summer, or full academic year options in Intensive Spanish Language and Culture through the University of Granada or STEM Summer Research in Meteorology and Environmental Science.

Our staff in the Arcadia Granada Center will support you throughout the program, ensuring you’re well-prepared and feel at home as you delve into Spain’s history, architecture, and traditions.

Arcadia Abroad Offers:

- Academic credit
- Professional experiences and research opportunities
- Personalized support from program staff
- Activities and excursions
- An unforgettable semester or summer

Excursions & Activities

Studying abroad is an experience like no other, and Arcadia’s programs will help you create lasting memories. Our diverse, life-changing excursions, events, and activities—many of which are free and included in your program—will introduce you to stunning landscapes, epic performances, and unique aspects of Spanish life:

- Gincana (treasure hunt)
- Dance, cooking, and cultural workshops
- Guided exploration of Alhambra
- Countryside discovery tours
- And more!
The Arcadia staff make you feel so at home. We got to do so many activities with different groups, and we got to know other people in our program. And if we were ever having any problems, they were always there to talk to us.
