Summer study abroad is now easier than ever. You can earn credit towards your degree while exploring another country and meeting new and different people, all while staying on track for graduation.

It is also a relatively affordable way to experience study abroad without missing out on any semester term activities, be they your sports schedule, your favorite professor’s classes or your home campus events.

Check out the wide variety of summer programs available to you with Arcadia stretching from Ireland to Australia and lots in between.

Arcadia Abroad Offers:
