Welcome to Arcadia Abroad

For over 70 years, students, like you, from colleges and universities throughout the U.S. have been studying abroad with Arcadia.

- Over 130 programs offering applied learning opportunities in 10 countries
- Wide range of disciplines and program types
- Programs to fit your schedule - from semester to summer to academic year
- Support to broaden access to study abroad - financially, academically and culturally
- Support from Arcadia staff around the world to help you make the most of this fun and unique opportunity

Time to explore the world & your potential

Study abroad with Arcadia opens up exciting new worlds to you - yes, a new country, but also new ways of learning both academically and through experiences inside and outside the classroom. Enjoy wonderful times with friends, mentors and teachers you haven’t met yet.

You’ll enjoy the challenge of strong academic courses and you’ll apply that learning in new places, with different people and in cultural situations you would never see at home. You’ll have fun along the way as you share life-changing experiences with other students and locals alike.

By the time you come home, you’ll be enriched and energized with skills, knowledge and credits in your back pocket. Your new level of understanding for how the world works and how people lead meaningful lives will be transformative for you, both personally and professionally. Let’s help you rise to your potential!

Founded in 1853, Arcadia University is a leader in international education. The first group of Beaver College women traveled overseas in 1948 to study the economic effects of World War II in Europe, paving the way for generations of students to study abroad. Over seven decades later, Arcadia University continues to offer excellence in international education and has integrated it as a core component of the higher education experience.
Educating the Whole You

Our goal is to help you develop and enrich your life in different ways: intellectually, through personal development, through building lifelong friendships, by cultural experience, with authentic community engagement, contextualized academic study, and the acquiring of life skills through applied learning.

LEADERSHIP

COMMUNICATION SKILLS
INDEPENDENCE  PROBLEM SOLVING
CRITICAL THINKING
RESPONSIBILITY  EMPATHY
CULTURAL AWARENESS

Excursions
All programs include guided visits to key places of interest, from historical landmarks and bucket list venues, to key local community hotspots - including many off-the-beaten-track experiences.

Activities & Events
From trying a new sport or joining a club or society, to attending Arcadia-organized social events, there will be many ways for you to bond with other students and feel part of a special time and place.

Volunteering
Many opportunities exist for you to help different organizations give back to local communities or causes.

Résumé Building
Meaningful and challenging experiences add depth to your résumé and show employers and graduate schools you have acquired valuable skills and abilities.

“We...” Arcadia lives up to the mantra of “Learn Everywhere.” Part of studying abroad really made me open my eyes to taking lessons at any and all opportunities. It’s not always about the classroom and it is certainly not always about the grade, but it’s definitely about what you can take away from the lesson.”

Rachel Shaffer
Illinois Wesleyan University

Learn and enrich the whole you - from wonderful academic development to personal and professional growth and fulfillment.

It’s Applied Learning in action – learn as you go and use your skills everyday in different situations so when you come home you have a whole new level of confidence and ability.

Health, Safety and Wellness Abroad

Student safety and security is one of our core values. Our Director of Health, Safety and Security leads our staff at home and abroad to care for you with the support of our Student Services team. Our approach to health and wellness prioritizes student learning in a safe and responsible way.

- We provide thorough pre-departure and on-site orientations to educate you about how to stay healthy and safe in your host country and city.
- We provide personalized support for students who require disability accommodations or need ongoing medical or mental health care to be successful while abroad.

Medical insurance, political security and natural disaster evacuation coverage is included in program fees for all students throughout the duration of their overseas programs.

- We monitor world events and operate under the latest best practices in international risk management.
- Through years of experience we have established a wide network of local contacts overseas that allow us to stay well informed on the ground and plan effectively.
- We provide 24/7 support and keep parents and partner institutions informed about evolving situations occurring in country and any emergencies.

From providing safe and secure housing and access to health care and wellness resources to providing effective and prompt resolution of emergency situations, our team protects our students’ welfare abroad at all times.

We’re here to help
While we are prepared to help with major political and environmental events, most often the types of situations with which we assist are minor illnesses, challenges adjusting to a new environment or lost passports.

Support services & mentoring
Our staff are here to support and mentor you through your entire experience, so you can make the most of your time abroad - from ensuring a smooth application process and mentoring to the practical everyday tasks of managing life abroad.
